

The Lake House Arts Centre presents a vibrant and engaging exhibition programme profiling artists and groups that are both nationally and locally recognised as well as community based and local artistic talents. Our exhibition programme strives to represent a wide range of visual art mediums, including historical and multi-cultural themes with links to a selection of regional and local, arts and cultural events. The exhibition programme is accompanied by a range of public programmes including artist's talks, exhibition tours and art workshops for adults and children.

SUBMITTING AN EXHIBITION PROPOSAL – Emerging Artists Series

Our new Emerging Artists Series is a follow on from our popular and successful annual New Graduate exhibition. Lake House is committed to supporting emerging New Zealand artists and facilitating opportunities for a first solo or group show.

For this series we will consider exhibition proposals from practitioners of any artistic discipline. Group show proposal will be considered but all involved artists must be considered 'emerging'.

For the purposes of this series an emerging artist will have graduated from a tertiary institution within the last 5 years with a fine arts or design qualification and have had limited exhibiting experience but are keen for more exposure. Artists will also be working on or have completed a body of work suitable for exhibiting.

Proposed exhibitions need to offer a free associated public programme (e.g. artists talk, workshop etc – this can be discussed with the Curator on submission of the proposal).

Proposal requirements:

- a. A cover letter including all contact details.
- b. Explanation of the exhibition concept, key themes of the exhibition, media/medium used, an indication of your target audience and ideas of a related public programme such as an artist talk or exhibition based workshop. (200-350 words).
- c. Description and images of the works you intend to exhibit or examples of relevant previous works - size of exhibition, size and number of artworks.
- d. A concise CV from all participating artists outlining past exhibitions, art education, art residencies, art awards etc. Maximum 2 pages per CV.
- e. Email or post your proposal to manager@lakehousearts.org.nz or post - Attn: Curator, Lake House Arts Centre, PO Box 331037, Takapuna, Auckland 0740 – when posting, please print the proposal and include high resolution images on a CD. Alternatively email the curator with one PDF file of the proposal that includes the CV and supporting images in one document (please note files must be fewer than 10MB in total to be received via email).

We will endeavour to respond to proposals within 8 weeks of it being received.

Questions?

If you need any assistance with this process please contact the Manager/Curator:

Lisa Rogers, Ph: 486 4877 or email manager@lakehousearts.org.nz
