

The Lake House Arts Centre presents a vibrant and engaging exhibition programme profiling artists and groups that are both nationally and locally recognised as well as community based and local artistic talents. Our exhibition programme strives to represent a wide range of visual art mediums, including historical and multi-cultural themes with links to a selection of regional and local, arts and cultural events. The exhibition programme is accompanied by a range of public programmes including artist's talks, exhibition tours and art workshops for adults and children.

SUBMITTING AN EXHIBITION PROPOSAL

The two main galleries are curated by the Manager/Curator. The Tindall gallery is available to members of Lake House free of charge for one month, on an annual basis*.

We will consider exhibition proposals from practitioners of any artistic discipline, individually or in groups. Proposed exhibitions need to appeal to a broad cross section of our community and also offer a free associated public programme (e.g. artists talk, workshop etc – this can be discussed with the Curator on submission of the proposal).

Emerging artists and fine art and design students please see our Emerging Artists Series.

Proposal requirements:

- a. A cover letter including all contact details.
- b. Explanation of the exhibition concept, key themes of the exhibition, media/medium used, an indication of your target audience and ideas of a related public programme such as an artist talk or exhibition based workshop. (200-350 words).
- c. Description and images of the works you intend to exhibit or examples of relevant previous works - size of exhibition, size and number of artworks.
- d. A concise CV from all participating artists outlining past exhibitions, art education, art residencies, art awards etc. Maximum 2 pages per CV.
- e. Possible dates for the exhibition - when is your proposed exhibition available/preferred dates for exhibition and does it relate to a specific event or festival?
- f. What are your ideas for promotion before and during your exhibition?
- g. Email or post your proposal to manager@lakehousearts.org.nz or post - Attn: Curator, Lake House Arts Centre, PO Box 331037, Takapuna, Auckland 0740 – when posting, please print the proposal and include high resolution images on a CD. Alternatively email the curator with one PDF file of the proposal that includes the CV and supporting images in one document (please note files must be fewer than 10MB in total to be received via email).

We endeavour to respond to proposals within 8 weeks of the proposal being received.
